Treatment Plan

Cheat Sheet 

Ensure that all revisions include dated signatures from all parties

Upon written request, provide client/legal rep an explanation of all aspects of the client's condition & treatment;

Ensure that a client's treatment is in accordance with the plan.

Prepare an integrated, individualized, written treatment plan, based on the provisional/principal diagnosis and assessment of behavior and treatment needs, abilities, resources, and circumstances of the client, including:

- Treatment goal(s);
- Treatment method(s);
- Date the client's treatment plan will be reviewed;
- If discharge date determined, aftercare needed;
- Dated signature of client/client's legal and licensee.

Review and reassess the plan:

- According to the review date specified in the treatment plan; and
- At least annually, ensure the continued viability and effectiveness of the plan and, where appropriate, add a description of services client may need after terminating treatment
