6 on the day of the scheduled screen that Respondent was not physically able to report to the

19 prescribed to Respondent for a bona fide illness or condition by a medical care provider. During
20 the duration of this Consent Agreement, Respondent shall select one (1) medical care provider

 20 penalty against the Respondent in the amount of \$1,000.00.

21 20. Respondent's payment of the civil penalty shall be stayed so long as Respondent
 22 remains compliant with the terms of this Consent Agreement. If Board staff determines that
 23 Respondent is noncompliant with the terms of this Consent Agreement in any respect, with the
 24 exception of the tolling provision under paragraph 8, the stay of the civil penalty payment shall
 25 be automatically lifted and payment of the civil penalty shall be made by certified check on

1 money order payable to the Board within 30 days after being notified in writing of the lifting of
2 the stay.

3 21. Within 10 days of being notified of the lifting of the stay, Respondent may request
4 that the matter be reviewed by the Board for the limited purpose of determining whether the
5 automatic lifting of the stay was supported by substantial evidence. If the Board receives the
6 written request within 10 days or less of the next regularly scheduled Board meeting, the
7 request will not be heard at that meeting, but will be heard at the next regularly scheduled Board
8 meeting. The Board's decision on this matter shall not be subject to further review.

9 22. The Board reserves the right to take further disciplinary action against
10 Respondent for noncompliance with this Consent Agreement after affording Respondent notice
11 and an opportunity to be heard. If a complaint is filed against Respondent for failure to comply
12 with this Consent Agreement, the Board shall have continuing jurisdiction until the matter is final
13 and the period of probation shall be extended until the matter is final.

14 23. If Respondent currently sees clients in their own private practice, and obtains any
15 other type of behavioral health position, either as an employee or independent contractor, where
16 he provides behavioral health services to clients of another individual or agency, he shall
17 comply with requirements set forth in paragraphs 24 through 26 below.

18 24. Within 10 days of the effective date of this Order, if Respondent is working in a
19 position where Respondent provides any type of behavioral health related services or works in a
20 setting where any type of behavioral health, health care, or social services are provided,
21 Respondent shall provide the Board Chair or designee with a signed statement from
22 Respondent's employer(s) confirming Respondent provided the employer(s) with a copy of this
23 Consent Agreement. If Respondent does not provide the employer's statement to the Board
24 within 10 days of the effective date, the Board will provide Respondent's employer(s) with a
25 copy of the Consent Agreement.

1 25. If Respondent is not employed as of the effective date of this Order, within 10
2 days of accepting employment in a position where Respondent provides any type of behavioral
3 health related services or in a setting where any type of behavioral health, health care, or social
4 services are provided, Respondent shall provide the Board Chair or designee with a written
5 statement providing the contact information of his new employer and a signed statement from
6 Respondent's new employer confirming Respondent provided the employer with a copy of this
7 Consent Agreement. If Respondent does not provide the employer's statement to the Board
8 within 10 days, as required, Respondent's failure to provide the required statement to the Board
9 shall be deemed a violation of A.R.S. § 32-3251(16)(n) and the Board will provide Respondent's
10 employer(s) with a copy of the Consent Agreement.

11 26. If, during the period of Respondent's probation, Respondent changes
12 employment, resigns, is involuntarily terminated, resigns in lieu of termination, or goes on
13 extended leave of absence for whatever reason that may impact his ability to timely comply with
14 the terms of probation, Respondent shall, within 10 days of the aforementioned acts, inform the
15 Board of his change of employment status. After the change and within 10 days of accepting
16 employment in a position where Respondent provides any type of behavioral health related
17 services or in a setting where any type of behavioral health, health care, or social services are
18 provided, Respondent shall provide the Board Chair or designee a written statement providing
19 the contact information of his new employer(s) and a signed statement from Respondent's new
20 employer(s) confirming Respondent provided the employer(s) with a copy of this Consent
21 Agreement. If Respondent does not provide the employer's statement to the Board within 10
22 days, as required, Respondent's failure to provide the required statement to the Board shall be
23 deemed a violation of A.R.S. § 32-3251(16)(n) and the Board will provide Respondent's
24 employer(s) with a copy of the Consent Agreement.

1 27. Respondent shall practice behavioral health using the name under which he is
2 licensed. If Respondent changes his name, he shall advise the Board of the name change as
3 prescribed under the Board's regulations and rules.

4 28. Prior to the release of Respondent from probation, Respondent must submit a
5 written request to the Board for release from the terms of this Consent Agreement at least 30
6 days prior to the date he would like to have this matter appear before the Board. Respondent
7 may appear before the Board, either in person or telephonically. Respondent must provide
8 evidence that he has successfully satisfied all terms and conditions in this Consent Agreement.
9 The Board has the sole discretion to determine whether all terms and conditions of this Consent
10 Agreement have been met and whether Respondent has adequately demonstrated that he has
11 addressed the issues contained in this Consent Agreement. In the event that the Board
12 determines that any or all terms and conditions of this Consent Agreement have not been met,
13 the Board may conduct such further proceedings as it determines are appropriate to address
14 those matters.

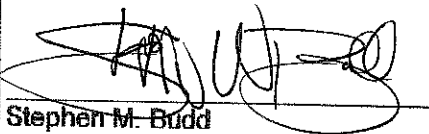

15 29. Respondent shall bear all costs relating to probation terms required in this
16 Consent Agreement.

17 30. Respondent shall be responsible for ensuring that all documentation required in
18 this Consent Agreement is provided to the Board in a timely manner.

19 31. This Consent Agreement shall be effective on the date of entry below.

20 32. This Consent Agreement is conclusive evidence of the matters described herein
21 and may be considered by the Board in determining appropriate sanctions in the event a
22 subsequent violation occurs.

1 4. Respondent understands that this Interim Consent Agreement does not
2 constitute a dismissal or resolution of this matter or any matters that may be currently pending
3 before the Board and does not constitute any waiver, express or implied, of the Board's
4 statutory authority or jurisdiction regarding any other pending or future investigations, actions,
5 or proceedings. Respondent also understands that acceptance of this Interim Consent
6 Agreement does not preclude any other agency, subdivision, or officer of this State from
7 instituting civil or criminal proceedings with respect to the conduct that is the subject of this
8 Interim Consent Agreement. Respondent does not intend his acceptance of this Interim
9 Consent Agreement to constitute an admission of any fact or facts and he enters into this
10 agreement as an interim compromise of a pending matter. Respondent further does not
11 relinquish his rights to an administrative hearing, rehearing, review, reconsideration, judicial
12 review or any other administrative and/or judicial action, concerning the matters related to a
13 final disposition of this matter, unless he affirmatively does so as part of the final resolution of
14 this matter.

15 5. Respondent acknowledges and agrees that upon signing this Interim Consent
16 Agreement and returning it to the Board's Executive Director, Respondent may not revoke his
17 acceptance of this Interim Consent Agreement or make any modifications to it. Any
18 modification of this original document is ineffective and void unless mutually approved by the
19 parties in writing.

20 6. Respondent understands that this Interim Consent Agreement shall not become
21 effective unless and until it is adopted by the Board and signed by its Executive Director.

22 7. Respondent understands and agrees that if the Board does not adopt this
23 Interim Consent Agreement, he will not assert in any future proceedings that the Board's
24 consideration of this Interim Consent Agreement constitutes bias, prejudice, prejudgment, or
25 other similar defense.

- 1 • Respondent submitted to a phosphatidylethanol test which is a blood test
- 2 that can detect the intake of 6 or more standard drinks in the prior 2-3
- 3 weeks.
- 4 • The test was strongly positive for phosphatidylethanol.
- 5 • Respondent's level quantitated at 208 ng/mL, which is highly suggestive
- 6 of significant drinking after the period where he informed the
- 7 addictionologist he ceased drinking.

8 b. 08/30/15:

- 9 • After having a discussion about Respondent completing an intensive
- 10 outpatient program and completing another blood test, Respondent
- 11 indicated he drank as recent as 08/25/15 where he had 3 ½ pale ales.
- 12 • Respondent indicated he last met with his sponsor on 08/29/15 but did
- 13 not inform him of his alcohol consumption 4 days earlier.

14 c. Based on the blood test and recent revelation, there is no question that

15 Respondent suffers from a moderate to severe alcohol use disorder and

16 requires treatment.

17 6. On 09/28/15, Respondent's addictionologist provided a letter to the Board

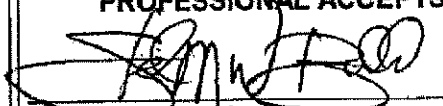

18 indicating the following:

- 19 a. At the time of the initial evaluation on 09/06/15, Respondent was
- 20 recommended to enter into either an intensive outpatient program or
- 21 residential program for treatment of alcohol use disorder.
- 22 b. Respondent has since enrolled into an intensive outpatient program, which
- 23 has been reviewed and determined to be an appropriate primary treatment.
- 24 c. Respondent is not safe to practice in a clinical role until he has completed
- 25 treatment and reassessment.

1 preclude the Board from taking any other action it deems appropriate based upon the conduct
2 set forth in the Interim Findings of Fact.

3 Respondent's agreement not to practice under License No. LCSW-11616 will be
4 considered an interim suspension of his license.
