Address of Record
Respondent

1 4. Respondent acknowledges and agrees that upon signing this Consent
2 Agreement and returning it to the Board's Executive Director, Respondent may not revoke their
3 acceptance of this Consent Agreement or make any modifications to it. Any modification of this
4 original document is ineffective and void unless mutually approved by the parties in writing.

5 5. The findings contained in the Findings of Fact portion of this Consent Agreement
6 are conclusive evidence of the facts stated herein and may be used for purposes of determining
7 sanctions in any future disciplinary matter.

8 6. This Consent Agreement is subject to the Board's approval, and will be effective
9 only when the Board accepts it. In the event the Board in its discretion does not approve this
10 Consent Agreement, this Consent Agreement is withdrawn and shall be of no evidentiary value,
11 nor shall it be relied upon or introduced in any disciplinary action by any party hereto, except
12 that Respondent agrees that should the Board reject this Consent Agreement and this case

14 review and discussion of this document or of any records relating thereto.

15 7. Respondent understands that once the Board approves and signs this Consent
16 Agreement, it is a public record that may be publicly disseminated as a formal action of the
17 Board, and that it shall be reported as required by law to the National Practitioner Data Bank.

18 8. Respondent further understands that any violation of this Consent Agreement

25 ...

1 The Board issues the following Findings of Fact, Conclusions of Law and Order:

2 **FINDINGS OF FACT**

3 **Case Nos. 2018-0039 & 2018-00440**

4 1. Respondent is the holder of License No. LAC-16069 for the practice of
5 counseling in Arizona.

6 2. From 03/17 – 10/17, Respondent was employed at a behavioral health agency
7 (“Agency”).

8 3. From 07/17 – 08/17, Respondent provided individual and group therapy to an
9 adult female client (“Client”) who was receiving residential treatment.

10 4. During Client’s treatment, the following was documented throughout the clinical
11 record:

- 12 a. Client is working on relationship issues and trauma.
- 13 b. Client is frightened to say goodbye to Respondent.
- 14 c. Client has been working on her attachment issues with Respondent.
- 15 d. Client is struggling to leave treatment and feels like she is going to start
16 feeling abandoned.
- 17 e. She feels like she does not matter.

18 5. Soon after Client’s discharge from treatment, with full knowledge that Client
19 struggled with healthy boundaries, attachment issues, and trauma, Respondent engaged in a
20 personal relationship with Client.

21 6. Respondent’s conduct is particularly concerning when considering her apparent
22 disregard of Client’s vulnerabilities, as well as Agency’s boundary policy, which states:

- 23 a. “Undue familiarity, inappropriate, non-professional, social and/or sexual
24 relationships between a staff member and a patient is strictly prohibited and
25 in violation of the zero tolerance policy.”

1 b. "For the purposes of this policy, a patient is defined as an individual who is
2 currently an in-patient, partial hospitalization patient, an out-patient and/or an
3 individual who has received treatment on the unit at any time within the past
4 two (2) years."

5 7. In review of Respondent's phone records, Board staff identified that, between
6 08/21/17 – 09/14/17, Respondent and Client exchanged approximately 1,140 text messages.

7 8. In addition, they exchanged multiple phone calls and communicated during late
8 hours of the night.

9 9. According to Respondent, around 09/14/17, Respondent ended contact with
10 Client.

11 10. On 10/03/17, Client returned to Agency and disclosed her relationship with
12 Respondent.

13 11. As a result, Agency conducted an investigation into this matter, which revealed
14 the following:

15 a. On 10/03/17, Client came back for further treatment.

16 b. Client told an Agency staff member that "she had relapsed into her eating
17 disorder after being 'traumatized by her trauma therapist'."

18 c. Client reported that Respondent kept in touch with her personally via text and
19 phone calls, and they met for lunch on one occasion.

20 d. Respondent told Client that her supervisor told her that they could no longer
21 communicate and abruptly ended the relationship.

22 e. This triggered Client's past abandonment issues.

23 f. "[Client] further stated that she became suicidal over the weekend and wrote
24 goodbye notes to all her friends and family."

25 ...

1 g. A review of the evidence substantiates that Respondent did, in fact, engage
2 in a dual relationship with a former patient, violating the ACA and Agency's
3 code of ethics as well as the Zero Tolerance Policy.

4 h. The severity of Respondent's actions is grounds for immediate termination.

5 12. On 10/04/17, Agency placed Respondent on suspension.

6 13. On 10/06/17, Respondent submitted her immediate resignation.

7 14. At no time did Respondent inform the Board of her employment with Agency as
8 required.

9 CONCLUSIONS OF LAW

10 1. The Board has jurisdiction over Respondent pursuant to A.R.S. § 32-3251 *et seq.*
11 and the rules promulgated by the Board relating to Respondent's professional practice as a

13 2. The conduct and circumstances described in the Findings of Fact constitute a
14 violation of A.R.S. § 32-3251(16)(k), any conduct or practice that is contrary to recognized

24 violation of A.R.S. § 32-3251(16)(l), any conduct, practice or condition that impairs the ability of
