Annette Stanley was present and accompanied by Matt Miller of the Goldwater Institute.

Ms. Dalton informed the Board that it received a petition from Ms. Stanley, an applicant for licensure at the independent level, requesting that the Board repeal or modify A.A.C. R4-6-210(3) and R4-6-211(A). Ms. Dalton suggested that since it was the first petition the Board received under the recently enacted statute, A.R.S. § 41-1093.02, the Board may want to consider going into executive session for legal advice before proceeding further.

Mr. Barnett moved, seconded by Dr. Davis to go into executive session pursuant to A.R.S. § 38-431.03(A)(3) to obtain legal advice. The motion passed unanimously and the Board went into executive session at 3:36 pm, reconvening its public meeting at 3:50 pm following a 4 minute break.

Ms. Dalton informed the Board that Ms. Stanley is a licensed associate counselor and has applied for licensure as a professional counselor. Ms. Dalton stated that the Counseling Academic Review Committee reviewed Ms. Stanley's application and recommended to the Board that it deny it because she failed to meet the requirements of A.A.C. R4-6-211(A)(1).

Ms. Dalton then went on to summarize Ms. Stanley's petition and the reasons why she was requesting that the Board repeal or modify the regulation related to practicing under supervision and the regulation that prohibits a licensee from acquiring work experience at an agency that they have an ownership interest in.

Both Ms. Stanley and Mr. Miller introduced themselves to the Board. Ms. Stanley briefly addressed the Board indicating that she was asking it to modify its regulations so that she could use the work experience hours she acquired in Kansas as a licensed professional counselor to meet the requirements for independent licensure in Arizona. Ms. Stanley stated that that she acquired her supervised work experience hours in accordance with the Kansas regulations. Ms. Stanley concluded by stating that she did not have anything in addition to add to her petition and thanked the Board for its time and consideration. Mr. Miller also briefly addressed the Board. Mr. Miller indicated that he was present to monitor the matter and to ensure that the Board was following the process set forth in the new statute.

Board members discussed their concerns regarding repealing or modifying the regulation that requires associate level counselors to practice under direct supervision. Board members also expressed concern about modifying or repealing the regulation that prohibits a licensee from acquiring work experience for independent licensure at an agency in which they have an ownership interest in.

Ms. Zavala suggested that the Board may want to consider creating an exception, like it had done for clinical supervision hours acquired outside of Arizona. Board members were receptive to this idea and discussed continuing this matter to its October meeting in order to give Board staff time to draft proposed language to that effect for its consideration.

Following review and discussion by members, Ms. Shields moved, seconded by Mr. Barnett, to direct staff to draft language that would create an exemption to the supervised work experience requirements acquired outside of Arizona for its consideration. The motion passed unanimously.
